

NVM are pleased to announce as from 1st August we are the new sole distributor for Entex Roller Shutter Springs throughout the UK and Ireland.

When Entex decided they wanted a sole UK Distributor for their range of Torsion Springs for Roller Shutters, they looked no further than North Valley Metal. "We knew of NVM and we knew of their reputation and experience within the industry so it made perfect sense to partner them," said Neil Fletcher of Entex parent Advanex. "They have served the Industry since 1966 and have an in depth knowledge of the Roller Shutter market that is unequalled."

North Valley Metal will stock the entire Entex range of Roller Shutter Torsion Springs including springs for Roller Shutters and Push-Up Barrels from our Lancashire based Warehouse.

As part of the agreement NVM will honour all Prices, Consignment Stock Agreements and Delivery Terms currently enjoyed by Entex customers. And for those customers who already use NVM's Own Transport delivery service, Torsion Spring purchases will be included in their delivery arrangements.

We are proud and pleased to be associated with Entex. They are one of the biggest and strongest brands for Torsion Springs in the industry and we will look forward to working with them to enhance the range we provide to all our customers.

ENTEX[®] MODULAR SPRINGING SYSTEM

If you would like to find out more about the stocked range of Entex Springs, get a price or place an order, contact the office on **01282 615239** or email: **sales@nvmgroup.co.uk**

NVM OPENS 3rd WAREHOUSE

Due to our continued growth, NVM are pleased to announce the completion of our new 3rd Warehouse Facility.

The new unit enables NVM to continue to expand the product range we offer to our customers whilst maintaining our storage capacity to ensure our products are well organised adequately stocked and safely racked.

NVM invested more than the £100k in new Racking and new Fork Lift Trucks for the new Warehouse including Side Loading Trucks that allow us to maximise the racking space.

"We are very pleased to have this 3rd facility" quoted Stock Manager Dominic O'Doherty. "It gives me the capacity I need to manage the stock we hold and the space for the new product ranges we introduce." The new unit comprises of 7,000 Ft² floor space with an additional 1,000 Ft² Mezzanine Floor, Offices and Showroom Space.

NVM INCREASE COLOUR RANGE

NVM are pleased to announce we have increased our Standard PPC Range for all Bespoke, Made to Measure Doors to 52 colours. We believe this is the largest range of standard colours on offer in the industry.

The range is offered in a Semi-Gloss finish as standard, although other finishes are available.

Alternative colours are available on request.

Full Colour Range Specification Sheets are available on request. Contact:

SITUATION'S VACANT

EXPERIENCED SALES EXECUTIVE REQUIRED

Due to our continued success NVM are now seeking an experienced Sales Executive to head up our Automatic Swing and Sliding Gate Division. This is an excellent opportunity for the right candidate who will be self-motivated and have a desire to succeed.

A new position within the company, the successful candidate will have an excellent opportunity to develop the role using the experience, knowledge and contacts they have acquired within the Automated Gates industry.

This is a senior position within the organisation and the right candidate will be afforded all the support and assistance necessary to ensure a successful outcome.

A Generous Package is on offer including Commission and Company Car.

For further information or to arrange a meeting in the strictest confidence, email: john.seymour@nvmgroup.co.uk or call **01282 615239**.
