

## 3 PHASE FLANGE MOTOR ARRIVES AT NVM

North Valley Metal are pleased to announce the launch of our new 3 Phase Flange Motor.

The motor is supplied with a Built-On Starter and Low Voltage 3 Button Station and a host of features including:

- Built-on Starter
- Pre-Wired with 6 metres of Cable and 3 Phase Plug
- Pre-Wired with 6 metres of Cable and 3 button Station
- Low Voltage to 3 Button Station
- Automatic De-Clutch, so there is no need for Toggle Cords and 100% safe.
- Low Level Manual Override, so there is no need for climbing ladders or lifting chain onto the flywheel.
- 12 metre Loop Haul Chain.
- Supplied with NDF100 Flange Adaptor c/w 1" Ø (25.4mm) Shaft and Keyway's. (Keys included).
- Universal Handing Left or Right, reducing stock holding.

Simply put, this is one of the easiest motors on the market to install and operate.

NVM can also supply all your Pinion, Sprocket Platewheel and Drive Gear needs, all to suit the NDF315.

## SPECIAL OFFER **FREE!**

### GEBA PRE-PRINTED OWN COMPANY FACE PLATES

Have your company logo or company details pre-printed onto Genuine Geba Key Switch face plates for Free when you order 50 or more NV245 Geba Key Switches.

Simply send us your artwork in either .jpeg or .bitmap format and we will reproduce it in single colour and print it onto the Geba Switch face plate.

It is permanent, waterproof and will keep your name, number and logo in full view every time your customer operates the shutter.

This is a limited offer not to be missed. Our standard price for reproducing the art-work alone is over £80.00.

## NVM BRAND 3" CAST ENDLOCKS

Due to a cock up in our Purchasing Department, NVM can now offer our standard NV142 3" Zinc Plated Cast End-Lock at an exceptional price to reduce our stock.

This is a One-Off opportunity and is available on a first come / first served basis whilst excess stocks last. So don't miss out.

Prices are based on minimum order quantities starting at 1,000 pairs and priced per Pair excluding delivery and VAT.

1,000+ Pairs	£0.58p / pair
2,000+ Pairs	£0.54p / pair
3,000+ Pairs	£0.50p / pair
4,000+ Pairs	£0.46p / pair
5,000+ Pairs	£0.42p / pair

To place an order, contact your sales co-ordinator quoting the Promo Code 0216.

**AND REMEMBER, WHEN THEY ARE GONE, THEY ARE GONE!!**

## NVM 3 PHASE CONTROL PANEL

North Valley Metal offer from stock a 3 Phase Control Panel suitable for Direct Drives and Flange Motors.

Each Control Panel is supplied with 3 Phase Plug with 6 Metres Cable and 6 Metres Cable for connection to the Motor and is the most cost effective unit around.

But the NVM Panel offers so much more as standard:

- ✓ Deadman / Impulse Function.
- ✓ Manual Switch Function.
- ✓ Photocell Function.
- ✓ Safety Edge / Light Barrier Function.
- ✓ Emergency Stop Button.
- ✓ Up / Stop / Down Buttons.
- ✓ Remote Control Function.
- ✓ Supplied with Cable Grommets.

Each Control Panel is supplied with 2 Keyfob Transmitters.

Transmitters have rolling code Technology.

Control Panel will accept up to 50 Keyfob Transmitters.
